STEP-BY-STEP

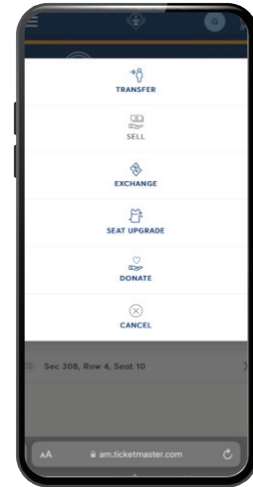

How to transfer tickets

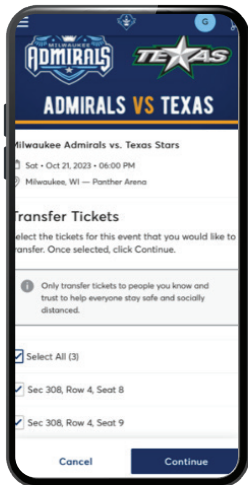

1. Select the event you would like to transfer tickets for.

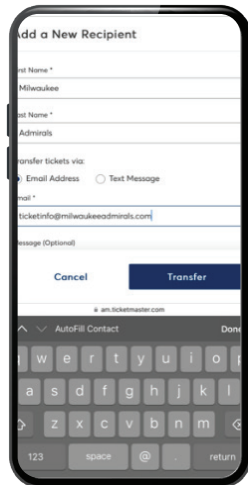

2. Tap "More."
(3 dots in a circle).

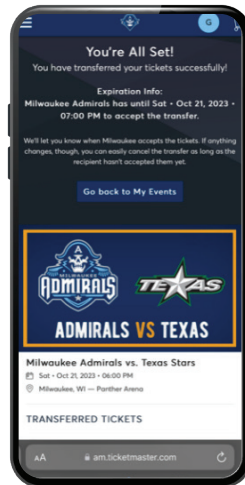

3. Select "Transfer."

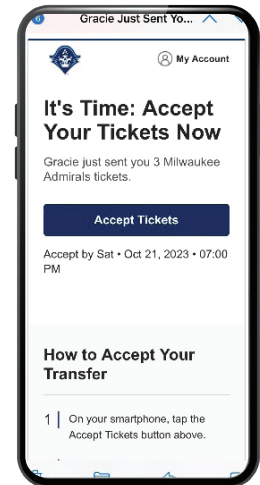

4. Select the seats you would like to transfer and tap "Continue."

5. Add the contact information for the recipient of the ticket(s) and tap "Transfer."

6. Confirmation of the transfer will be sent to your email. The recipient will receive an email requesting them to accept the tickets.
