FOLLOW INSTRUCTIONS BELOW

1. Open Admirals APP

2. Once at the home screen, click
“**Manage Tickets**”
on the bottom of the screen
(Circled in Red)

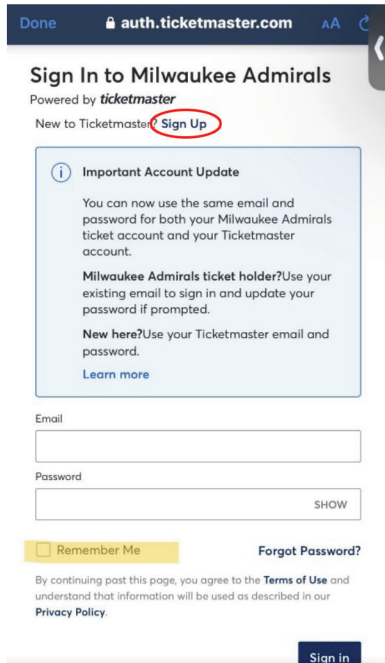

3. Click on “**Manage Tickets**” again,
(Circled in Red)

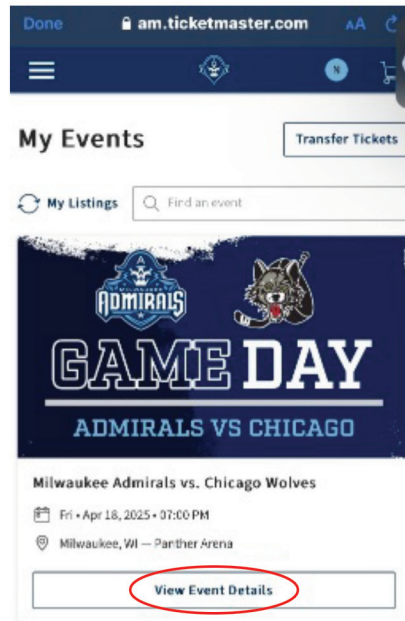

4. Log into your TicketMaster Account, Click the “**Remember Me**” box so you can stay logged in on the Milwaukee Admirals app. Highlighted in yellow.

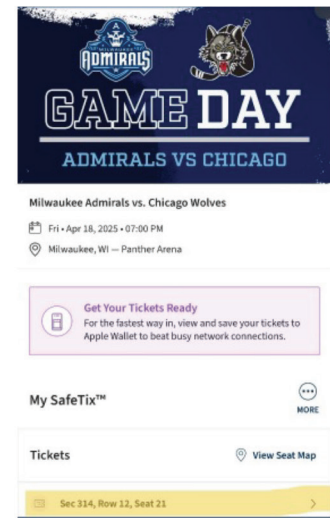

5. If you do not have an account, click **“Sign Up”** circled in red. Create an account with the same email address used to purchase your tickets.

6. Once logged into your Ticketmaster Account you will see your tickets. To access your tickets, you will click on **“View Event Details”**. Circled in Red

7. Click on event details you will see the Game Details including game date, location, opponent, and your tickets section, row, and seat. **To get your tickets ready to scan, you will click on your ticket information, highlighted in yellow below.**

8. You will be taken to your Tickets with the Barcode needed to be scanned to get in. All your tickets for one event will be shown here and you can access multiple tickets by swiping left. It will display how many tickets you have on under the ticket circled in red.

9. From here you can add your Tickets to your Apple Wallet for iPhone or Google Wallet for Android users. Or you can keep your Tickets on the Milwaukee Admirals app and show them to the Ushers on Game Day!
